CHAPTER EQ EQUITATION DIVISION

SUBCHAPTER EQ-1 REGULATIONS FOR ALL SEATS.

EQ100 Eligibility to Compete.

1. In order to compete in any Hunter Seat Equitation classes at licensed competitions as an exhibitor, rider, trainer, or his/her agent(s), a person must be a member of the United States Hunter Jumper Association, Inc., or pay a nonmember fee to the United States Hunter Jumper Association, Inc. Exception: Local Competitions and exceptions listed in GR901.9 and GR207.2i. Exception: Breed restricted Hunter Seat Equitation classes.

2. USHJA Horse Registrations.

a. All horses competing in Federation non-breed restricted licensed competitions with hunter, hunter breeding, jumper and hunter seat equitation classes (except those activities enumerated in GR901.9, items 1-9) must be properly identified and must obtain a Registration Number from USHJA. A registration number for each horse must be entered on all entry forms for licensed competitions. Only one Registration Number will be issued per horse, and must remain with the horse throughout its career. Anyone knowingly applying for a duplicate Registration Number for an individual horse may be subject to disciplinary action. The Federation and/or USHJA as applicable must be notified of any change of ownership and/or competition name of the horse. Owners are requested to notify the Federation and/or USHJA as applicable of corrections to previously submitted information, e.g., names, addresses, breed registration, pedigree, or markings.

b. Applications for Registration Numbers can be completed online at www.ushja.org or www.usef.org using the Horse Registration application form. The Horse application form is also available from the USHJA or Federation office, or it can be downloaded from the USHJA or Federation website or from competition management. Competition management is responsible for notifying exhibitors of this requirement in their prizelist.

EC 8/18/08 Effective 12/1/08

EQ101 Definition.

The Equitation Division is divided into three sections: Hunter, Saddle and Western Seats. Judges are licensed accordingly. Separate classes can be offered for boys and girls; different age limits; or ribbons won. Dressage Seat Equitation is exempted from the requirements of Chapter EQ. For Dressage Seat Equitation, see DR132.

EQ102 Eligibility.

1. Riders in classes for junior exhibitors cannot have reached their 18th birthday in accordance with GR126, however competitions are encouraged to offer Adult Equitation classes for amateur riders who have reached their 18th birthday.

2. In Equitation classes only the rider is being judged, therefore, any horse that is suitable for a particular style of riding (i.e., Hunter Seat, Saddle Seat or Western/Reining Seat) and is capable of performing the required class routine is acceptable.

3. Stallions are prohibited. (Exception: USEF Talent Search Class/Finals; classes restricted to a breed if division rules for the breed of horse ridden permit their use for juniors, and if the division rules for the breed of horse ridden permit juniors to ride stallions).

4. Adults can ride ponies in Adult Hunter Seat Equitation classes, suitability to count; however, these ponies cannot cross enter into the rated Regular and Green Pony Hunter sections at the same competition.

5. Maiden, Novice, Limit, Intermediate.

a. Open to riders that have not won one/three/six/twelve first place ribbons respectively competing in equitation classes at Regular and Local Competitions of USEF or Equine Canada. The Maiden, Novice, Limit and Intermediate status of riders at Regular and Local Competitions is determined from the closing date of entries. Blue ribbons won in the Hunter section will not affect a rider's status in the Saddle or Stock sections, etc. Ribbons won in classes restricted to a particular breed will affect a rider's status. Ribbons won as a junior affect a rider's status when competing as an adult.

b. Ribbons won in leadline classes and in classes where entries are not required to ride at all gaits will not affect Maiden, Novice, Limit and Intermediate status.

- c. In the Hunter Seat section, ribbons won in classes not to jump do not affect a rider's status in classes over jumps. However, ribbons won in classes over jumps do affect a rider's status in classes not to jump. Ribbons won in classes with less than six (6) entries do not affect a rider's status. Ribbons won in short stirrup classes and in classes over obstacles lower than 2'3" will not be counted in reckoning Maiden, Novice, Limit, Intermediate or Open status.
6. Any rider competing and/or riding anywhere on the competition grounds with their stirrup, stirrup leather, fender, or foot tied and/or secured in any manner will be eliminated from the entire competition. The steward will note the trainer name(s) on the steward's report, and further disciplinary actions may be taken by the Federation.
7. In the event that a horse is incapacitated in the first phase of a Medal Finals or before the ride-off, upon examination of the competition vet and a judge or steward, a substitution is permitted.

EQ103 Conduct.

(See GR1210.1a -1d)

1. Classes for junior and senior riders can be combined.
2. When entries warrant, it is recommended that competitions restrict Maiden, Novice, Limit and Intermediate riders to their respective categories.

3. DIVISION OF CLASSES.

- a. In Hunter and Western Seat, all classes with 50 or more entries at the beginning of the class must be divided and run as two separate sections with separate trophies and ribbons; *for Hunter Seat, a "California split" method, as defined in HU112.4, must be used if the class requires numerical scores.* (Exception: Regional and National Equitation Finals and all Equitation Classics) *BOD 1/19/09 Effective immediately*
- b. If there are 50 or more entries remaining in a class after a class has been divided, the class must be re-divided by every other number and separate trophies and ribbons must be awarded. Once a class has been re-divided it cannot be divided further. (Exception: Hunter Seat classes).
- c. In NHS, and Saddle Seat championship classes, judges must work competitors in groups of 20 or less. In Saddle Seat Medal classes, judges must work competitors in groups of 15 or less. In all other Saddle Seat classes, if there are 20 or more entries in a class, it is recommended that the class be divided into separate sections by selecting every other number on the list of entries, and that separate trophies and ribbons be awarded. If there are 25 or more entries, the class must be divided and the notification of such publicly announced and posted at least two hours prior to the start of the class. In classes with eliminations, it is the prerogative of the judge, not of competition management, to determine the number of riders from any given section. The list of qualifying riders for the class finals will not be posted or announced until all sections have been worked.

4. **MONEY PRIZES.** In Equitation classes the rider is the competitor and wins the award. Offering of prize money in Equitation classes for junior exhibitors and amateurs is forbidden. (Exception: Scholarship funds may be awarded. However, these funds must be disbursed directly to the institution upon proof of enrollment by the awarded recipient.)

5. **RIBBONS.** In Saddle Seat and Western Seat Equitation classes one ribbon must be awarded for every six competitors but no more than ten ribbons are required. In Hunter Seat Equitation classes a minimum of eight ribbons must be awarded but no more than ten ribbons are required.

6. **NUMBERS.** Numbers must be worn on the rider's back and must be clearly visible at all times when in competition. (Exception: Exhibitors in Open Western events must place number on both sides of saddle pad or on the rider's back. Exhibitors in Arabian/Half-Arabian reining seat equitation section may place number on both sides of the saddle pad or on the rider's back.)

7. Attention getting devices and/or other noisemakers (including but not limited to tape measures, blow horns, altered bamboo poles, etc.) are not allowed in and around the make up/schooling/warm-up and competition rings during scheduled competition sessions. Use of explosives and fire extinguishers by or for exhibitors/competitors (except in the case of fire) is not allowed on competition grounds at any time. (See also GR839.4i)

EQ104 Judging.

1. **SOUNDNESS.** Unsoundness does not penalize a competitor unless it is sufficiently severe to impair the required performance. In such cases, the imposition of a penalty is at the judge's discretion.
2. Any rider not having his mount under sufficient control will be dismissed from the ring and disqualified from that class.
3. Riders must remain on the same mount throughout all phases of a class until the judge requests a change.
4. No rider can be asked to perform a test on another horse before he has performed the same test on his own.
5. Attendants are not allowed in the ring except at the request of judge(s).
6. When additional tests are desired, the judges' instructions to riders are publicly announced. It is suggested that the judge go over these instructions with the announcer immediately before they are announced to assure mutual understanding of the wording. For testing in Hunter Seat Finals, when riders are called back collectively into the ring without their trainers, they will be given a copy of the course. If the judge desires, the test may be written on the course diagram.
7. Judges cannot confer with riders individually during the line-up. (Exception: Verbal testing).
8. **ELIMINATIONS.**
 - a. If eliminations for a class are separated from the final phase, the performance in each phase has equal consideration unless otherwise specified in the prize list or class specifications. (Exception: ASPCA Horsemanship Finals.)
 - b. The final phase will be conducted in the same manner as the elimination except a different course can be used in the Hunter Seat classes and different tests can be used in all classes.
 - c. If a posted workout is to be used at a later time it should be publicly announced and should be posted near the in-gate before the workout is called.
9. In Open Equitation and Medal Classes, horses may not be ridden by more than one rider per class or section of the class. (Exception: Saddle Seat Equitation and Tests requiring a change of horses.)
10. In a work-off a rider may not jump or be required to jump any fence that is not in the original course, except verticals included in the original course may be jumped in the opposite direction provided the ground lines are correct.

EQ105 Conditions Governing Competitors in USEF Medal Classes.

1. USEF Medal Classes are open to Individual Junior Members in good standing who have not reached their 18th birthday in accordance with GR126. Exception: Saddle Seat Adult Amateur classes are open to amateur riders 18 years of age or older. Affiliated Members are not eligible. No credit will be given for winnings before a competitor becomes a member.
2. Application for membership can be made directly to the Federation, or the exhibitor can join prior to the class through the steward.
3. A rider can enter Medal classes anywhere in the United States but the number of points to qualify for the Hunter Seat Medal Final (or semi-finals if held) depends on the requirements of the rider's point state. A rider's point state shall be the state given on the rider's membership application. That address is locked on December 1 of the competition year or the first day of the rider's membership activation, whichever ever comes first. However, a Life member's address is always locked on December 1 of the competition year. A rider may have only one domicile which is where the rider has his permanent home and where, whenever he is absent, intends to return. The address given on the membership application must be the state where the rider is domiciled at the time of membership activation or renewal. If a rider is found not in compliance with this rule, the rider may be subject to disqualification from the USEF Hunter Seat Medal Finals. A person may apply to the Federation for permission to change their point state.
4. In Hunter Seat Medal, exhibitors must qualify by the minimum number of points required by their state. In Saddle Seat only the first place winner is eliminated from further qualifying classes during that year. In Saddle Seat Adult Amateur Medal classes a win does not eliminate a rider from further competition for the remainder of the year.

5. The winner of a Medal Class Final is no longer eligible to compete in Medal classes in the division in which the Final was won. (Exception: Winners of the Saddle Seat Adult Amateur Medal Final will be eliminated from further competition in Saddle Seat Adult Amateur Medal classes after two (2) consecutive or non-consecutive wins of the Final).

6. Qualifying procedures for USEF Medal Classes and any other USEF classes listed in EQ112 will be approved by the relevant USEF Committees and breed/discipline affiliate organization. Information on qualifying procedures for each of these classes will be available on the USEF website.

EQ106 Conditions Governing USEF Medal Finals.

1. If entries warrant, semi-final ride-offs will be held at strategic points throughout the country, in which case all potential participants must be notified in advance.

2. On or before July 1 of each year the Federation will announce the competitions at which the Finals will be held. Even though entries for the designated competitions have closed before an individual qualifies, post entries will be accepted.

3. Classes held less than fifteen days before the Saddle Seat Finals (17 & Under) count toward the next year's Finals. *Classes held up to the day before the Saddle Seat Adult Medal Final qualify a rider for that year's Finals.* Hunter Seat Medal classes held at competitions with a start date after October 1 count toward the next year's Finals. Riders who lose their junior status at the end of that year are ineligible to compete in these qualifying classes. *BOD 1/19/09 Effective 4/1/09*

4. The judge(s) for all USEF Medal Class Finals are to be approved by the appropriate equitation committee.

5. Any questions or disputes in connection with Medal classes must be referred to the Executive Committee or to a special committee appointed by the President whose verdict is final.

6. The judges for the Hunter Seat Medal Finals must design the course, which must be posted one hour before the class. Maximum spread of obstacles 4'. (Exception: triple bar type obstacles, maximum spread of 5'.)

7. In Saddle Seat Finals, the class must be worked on the rail in groups of 15 or less.

In Hunter Seat Medal Finals, between 20-25 riders must be called back for the work-off.

8. The name of the winner of a Finals is engraved upon a Perpetual Trophy which remains in the possession of the Federation. A replica trophy is given to the rider.

9. In the event that a horse is incapacitated in the first phase of a Medal Finals or before the ride-off, upon examination of the competition veterinarian and a judge or steward, a substitution is permitted.

10. For all Hunter Seat Regional and Final Championships, the competition will provide an exhibitor representative from the USHJA Equitation Task Forces' annual approved list. The exhibitor representative acts between the trainers and the judges and stewards if issues arise that need clarification. Issues may include concerns regarding the course, footing, call back lists or any others needing clarification. The person that is chosen for this job will have no conflict of interest or vested interest in the outcome of the class. The exhibitor representative will not act as a steward but as a liaison for the trainers, judges and exhibitors.

11. Qualifying procedures for USEF Medal championships and any other USEF championships listed in EQ112 will be approved by the relevant USEF Committees and breed/discipline affiliate organization. Information on qualifying procedures for each of these classes will be available on the USEF website.

EQ107 Zone or Regional Championships.

1. General.

a. The chairman of each **USHJA** Zone may request permission of the Federation to hold a Zone or Regional Championship class for the riders in each Zone who have won a first or second place ribbon **or have qualified for the finals** in a Hunter Seat or Saddle Seat Medal class since the last day to qualify for the Zone or Regional Championships the previous year.

b. Two or more **USHJA** Zone Chairmen may request permission to hold a Regional Championship Class including several zones. *BOD 1/13/08 Effective 12/1/08*

c. Application must be made to the Federation office at least sixty days in advance of the holding of the class.

2. Zone or Regional Championship classes must be held prior to the Finals (Exception: Hunter Seat classes can be held up to December 1).
3. The Championships are conducted under the same regulations as the Finals. (Exception: a minimum of 25% of the riders must be called back for a work-off in Hunter Seat classes.)
4. A minimum of five competitors are required to complete the class.
5. Judges for a Zone or Regional Championship must be approved by the Federation Licensed Officials Committee.
6. Placing other than first in a Zone or Regional Championship will have no effect on a rider's eligibility to compete in the Finals but will enable the Medal Class winners to compete against each other on a Zone or Regional basis. Riders who win a Zone or Regional Championship become eligible to enter the Finals whether or not they have previously qualified in Medal Classes. For Hunter Seat, riders who win a Zone or Regional Championship on or before October 1st become eligible to enter the Finals. Winning after October 1st does not count toward qualifying for the Finals.
7. Judges chosen for Regional Medal classes are encouraged to design the course. A course designer approved by the Hunter Seat Equitation Committee must be used to design the course in lieu of the judges. The course must be posted at least one hour prior to the class.

SUBCHAPTER EQ-2 HUNTER SEAT EQUITATION SECTION.

WHEN A SUBJECT IS NOT ADDRESSED IN THESE RULES, IT MUST BE ADDRESSED BY THE APPROPRIATE COMMITTEE AND THAT COMMITTEE'S INTERPRETATION WILL STAND AS THE RULE UNTIL THE NEXT YEAR WHEN AN APPROPRIATE RULE CHANGE WILL BE SUBMITTED.

EQ108 Position.

1. General. Rider should have a workmanlike appearance, seat and hands light and supple, conveying the impression of complete control should any emergency arise. Exhibitors may ride side saddle in Adult Equitation classes but not in classes restricted to Juniors.
2. Hands. Hands should be over and in front of horse's withers, knuckles thirty degrees inside the vertical, hands slightly apart and making a straight line from horse's mouth to rider's elbow. Bight of reins may fall on either side. However, all reins must be picked up at the same time. When using two reins, the snaffle rein should be on the outside while the curb rein is on the inside.
3. Basic Position. The eyes should be up and shoulders back. Toes should be at an angle best suited to rider's conformation: ankles flexed in, heels down, calf of leg in contact with horse and slightly behind girth. Iron should be on the ball of the foot and must not be tied to the girth.
4. Position in Motion. At the walk, sitting trot and canter, body should be a couple of degrees in front of the vertical; posting trot, inclined forward; galloping and jumping, same inclination as the posting trot.
5. Mounting and Dismounting. To mount, take up reins in left hand and place hand on withers. Grasp stirrup leather with right hand and insert left foot in stirrup, toe in girth and mount. To dismount, rider may either step down or slide down. The size of rider must be taken into consideration.

EQ109 Appointments.

1. Personal. Exhibitors and judges should bear in mind that at all times entries are being judged on ability rather than on personal attire. Riders should wear coats of any tweed or Melton for hunting (conservative wash jackets in season), breeches or jodhpurs and boots. Conservative colored protective headgear with no additional adornments in accordance with GR801.3 is mandatory. Spurs, crops or bats are optional. Judges may penalize contestants who do not conform. When management permits Hunter or Hunter Seat Equitation riders to ride without jackets, riders must wear traditional, short, or long-sleeved riding shirts with chokers or ties. Polo shirts and chaps are not permitted except in unjudged warm-up classes. Management or Judge may eliminate an exhibitor who is inappropriately attired.
2. Tack. Regulation snaffles, pelhams and full bridles, all with cavesson nose bands, are recommended. A judge at his own discretion can penalize a horse with nonconventional types of bits or nose bands. Boots and conservative colored bandages are permitted. Type of saddle is optional. Martingales are permitted in classes over obstacles and in the jumping phase of classes requiring both jumping and flat work. Changing of bits between phases is permissible.
3. No mounted exhibitor may wear or carry an electronic communication device (i.e., cellular telephone, pager, walkie talkie, etc.) while in the competition ring. The penalty for wearing or carrying a forbidden device if observed by the judge may be elimination from the class during which the device was worn or carried. Exception: A handicapped participant may use electronic devices if, prior to the class, he/she presents to the USEF Steward written justification from treating personnel setting forth the necessity of the equipment.

EQ110 Class Routine.

1. Over Obstacles. The performance begins when the horse enters the ring. Except for refusals jumping faults of the horse are not to be considered unless it is the result of the rider's ability. No rider can be eliminated until ten riders have completed the course, or a number equal to the ribbons being awarded. (Exception: three refusals, fall of horse and/or rider and off course). The following will result in elimination: a) fall of horse and/or rider; b) three cumulative refusals (exceptions: USEF Medal Finals, USEF Pony Medal Finals and Maclay Finals, exhibitors will be eliminated after two cumulative refusals); and c) off course. *In the event of an elimination, the rider must exit the ring immediately.* If elimination occurs during a ride-off, the competitor is placed last of all those chosen for the ride-off. The following constitute major faults and can be cause for elimination: a) a refusal; b) loss of stirrup; c) trotting while on course when not part of a test; and d) loss of reins. Each competitor may circle once before approaching the first obstacle. He then proceeds around course keeping an even pace throughout. If a refusal occurs in a double or triple, competitors must rejump all obstacles in the combination. Any or all competitors can be called back to perform at a walk, trot and canter or to execute any appropriate tests included in class requirements (see EQ112 and EQ113). In the event that a rail comes down, first score the knockdown within the context of the round. Unless the knock down is caused by a MAJOR rider error, it should not be considered a MAJOR riding fault. *BOD 1/19/09 Effective 4/1/09*

2. Not to Jump. Competitors shall enter ring and proceed at least once around ring at each gait and, on command, reverse and repeat. Riders may be asked to work collectively without stirrups in Intermediate, 14 and over and Open classes. The order to reverse can be executed by turning either toward or away from the rail. Light contact with horse's mouth is required. Entries then line up on command. Any or all riders may be required to execute any appropriate tests included in class requirements (EQ112 and EQ113). All tests used must be on the flat. Judges are encouraged to call for at least two tests of the top contestants.
3. Outside Assistance. Outside assistance will be penalized at the judge's discretion.
4. In cases of broken equipment or loss of shoe, the competitor must continue or be eliminated.

EQ111 Course Requirements.

Classes must be held over at least six obstacles.

1. In Maiden, Novice, Limit and classes for under 14 years, jumps cannot exceed 3' and wings must be at least 24" wide.
2. In Intermediate classes obstacles cannot exceed 3'3".
3. In Open, Medal and Classes for 14 to 18 years, obstacles cannot exceed 3'6" and wings are optional.
4. In Novice classes, a change of hand (change of lead) is required.
5. In Limit classes, a change of hand (change of lead) and a combination are required.
6. In Intermediate, 14 years and over and Open classes, at least one change of hand (change of lead) and a combination including an oxer are required.
7. Combinations are prohibited in classes restricted to riders 12 years old and under, unless required in specific Federation classes. All combinations must be numbered with a single number and the designations A and B or A, B and C on the course diagram. If only one element of a combination is being jumped, it must be the last element.
8. Verticals may be jumped in either direction provided ground lines are correct, i.e. no false ground lines.
9. It is recommended that one class in each competition be held over a jumper-type obstacles to encourage interest in FEI competition and one over hunter course so that riders can be judged on their ability to establish and maintain an even hunting pace.
10. In Open Equitation classes for riders 12 years of age and older, ASPCA Maclay classes, and all USEF Medal classes (except USEF Pony Medal Class, see EQ112.10), the course must include at least one change of lead, a combination including an oxer and 1/3 of the obstacles must be oxers. In addition, all courses must include at least three of the following:
 - a. Bending Line
 - b. Narrow Jump (6'-8')
 - c. Roll-back Turn
 - d. Fence at the end of the ring
 - e. Long approach to a single jump.
11. In USEF Hunter Seat Medal classes courses must be 3'6" with spreads to 4'. (Exception: triple bar type obstacles, maximum spread of 5'.) The top element of all obstacles must be securely placed so that a slight rub will not cause a knockdown. If breakaway or safety cups are used the top cup must be the deepest standard cup available.
12. If an option fence is used, a rider may choose to jump either fence. If the horse stops at one of the options, the rider is scored with a refusal and if the fence is dislodged must wait for the fence to be reset, but may then jump either option.
13. A Liverpool or water is prohibited in USEF Medal and ASPCA Maclay classes including Regionals and Finals.

EQ112 Requirements for Specific Classes.

1. The following age limit classes are suggested but may vary according to local conditions:
 - a. For juniors: 10 and under, 11 to 13, 14 to 15, and 16 to 17; and
 - b. For amateurs: 18 to 35, 36 to 49, and 50 and over.
2. Juniors under 14. Tests 1-8.
3. Juniors 14 and Over. Tests 1-19.
4. Maiden. For juniors and amateur riders who have not won 1 blue ribbon over obstacles. Test 1

5. Novice. For juniors and amateur riders who have not won 3 blue ribbons over obstacles. Tests 1-7.
6. Limit. For juniors and amateur riders who have not won 6 blue ribbons over obstacles. Tests 1-7.
7. Intermediate. For juniors and amateur riders who have not won 12 blue ribbons over obstacles 3'3" or higher. Tests 1-13.
8. Open. For juniors and amateur riders. Tests 1-19.
9. USEF HUNTER SEAT MEDAL CLASS.
 - a. Open to Junior Active Members of the Federation who have not yet reached their 18th birthday. Application for membership can be made direct to the Federation office or the exhibitor can join prior to the class through the steward. To be shown over a course of not less than eight obstacles at 3'6" which must include one combination including an oxer and two changes of direction (change of lead) after the first obstacle. Two cumulative refusals in the USEF Hunter Seat Medal Finals will result in elimination, see EQ110.1. Two or more tests of *at least* the top four competitors are required. Tests 1-19. Any exhibitor who does not participate in the testing is placed last of those exhibitors called back to test. Should more than one exhibitor fail to return for testing they will be placed at the judge's discretion. Only one rider per horse. To fill a class six competitors must complete the course (five in Zones 8, 11 and 12). For purposes of determining the number of entries for the increment system, the number of entries is determined by the number of exhibitors who compete in a class or section of the class. If there are 50 or more entries at the beginning of this class, it must be divided by every other number and run as two or more separate sections. A class with fewer than 50 entries cannot be split. The USEF Hunter Seat Medal Finals will be judged by at least one judge who holds an "R" Registered status in the Hunter Seat Equitation Division. Additional judges are eligible to judge if they have 'r' recorded status. *BOD 1/13/08 Effective 12/1/08*

- c. Schooling Rules for Medal Finals
 - (1) One hour before the class begins competition management will set in place the jumps in the schooling area(s). The jumps will be flagged to show the direction of the jumps. These flags may be changed, red on right, white on left.
 - (2) Verticals can be made into oxers and oxers can be made into verticals. The jumps may be raised or lowered, widened or narrowed.
- d. Qualifying
 - (1) The points that a rider needs to qualify will be determined by his state residence. The points required by each individual state will be determined by the population density of that state for Junior riders designated Hunter or Jumper combined with the number of USEF Medal classes held in that state. Each year the Current State Groups will be recalculated. The number of points required by each state will be posted at the beginning of the each qualifying period on the USEF website. See

chart in EQ112.9.d(2) for each group's required points to qualify. See chart EQ 112.9.d.3 for current year Medal State Groups. All riders may continue to compete even after qualifying for the finals.

10. USEF PONY MEDAL CLASS. Open to Junior Active Members of the Federation who have not yet reached their 18th birthday, on ponies 14.2 hands and under. No Junior over 12 years of age may compete on a small pony. No Junior over 14 years of age may compete on a medium pony. Application for membership can be made directly to the Federation, or the exhibitor can join prior to the class through the Federation steward. Riders entered in this class cannot cross enter into a USEF Medal Class at the same competition. Suitability of a pony to rider will be emphasized. To be shown over a course of not less than six obstacles 2'3" for ponies not exceeding 12.2 hands; 2'6" for ponies over 12.2 hands and not exceeding 13.2 hands; and 3' for ponies over 13.2 hands. If an in and out is used, the suggested distance for small ponies is 20'; for medium ponies 22'; and for large ponies 24'. The distance must be altered for each height division. Two tests (1-9) are required during the first round. Only one rider per pony. To fill a class six competitors must complete the course (five in Zones 8, 11, and 12). Two cumulative refusals in the USEF Pony Medal Finals will result in elimination, see EQ110.1. This class may be judged as one class, with all height sections run consecutively; or management may elect to divide and pin this class in three separate sections, small, medium and large or to divide into two sections, small-medium and large or small and medium-large. In no case may sections be divided into small-large and medium. When classes are divided as outlined above an exhibitor may only ride in one section per competition. Ribbon winners in each section will receive qualifying points. The USEF Pony Medal may be run concurrently with the small, medium, and large pony division. The green pony division cannot be run with the USEF Pony Medal card open as the fence heights are not consistent. However, green ponies may jump in the USEF Pony Medal when the card is held open during the regular pony division if they so choose. A rider who accumulates 30 pts. will receive a silver medal from the Federation and will qualify for the Finals which is held in conjunction with the USEF Pony Competition. 1st place = 30 pts.; 2nd place = 15 pts.; 3rd place = 10 pts. A rider that has qualified for the Finals can continue to compete in qualifying classes. The winner of the Finals may no longer ride in the Finals or in qualifying classes. Classes held after July 1 will count toward the next year's Final. Riders cannot enter both the Hunter Seat Medal Finals and the Pony Medal Finals in the same year. If there are 50 or more entries at the beginning of this class, it must be divided by every other number and run as two separate classes.

Two or more tests of the top four competitors are required. Tests 1-19. To fill a class six competitors must complete the course (five in Zones 8, 11 and 12). The winner will receive an embossed certificate from the Federation. Points will count 7, 5, 4, 3, 2, 1 toward the annual USEF High Point Adult Equitation Rider Award. SUBCHAPTER EQ-3 SADDLE SEAT EQUITATION SECTION.

EQ115 Position.

1. GENERAL. Judges should note that the required Equitation Seat should in no way be exaggerated but be thoroughly efficient and most comfortable for riding the type of horse called for at any gait and for any length of time. In Saddle Seat Equitation classes, riders should convey the impression of effective and easy control. To show a horse well, he should show himself to the best advantage. Ring generalship must be taken into consideration by the judges. A complete picture of the whole is of major importance. An exhibitor is entitled to request only one time-out per class. (See GR833). A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, other exhibitors, or their entries.
2. HANDS. Hands should be held in an easy position, neither perpendicular nor horizontal to the saddle and should show sympathy, adaptability and control. The height the hands are held above the horse's withers is a matter of how and where the horse carries his head. The method of holding the reins is optional however both hands must be used and all reins must be picked up at one time. Bight of rein should be on the off side. According to tradition, the "on side" is the side on which you mount and therefore, the "off side" is the opposite side.
3. BASIC POSITION. To obtain proper position, rider should place himself comfortably in the saddle and find his center of gravity by sitting with a slight bend at the knees but without use of irons. While in this position adjust leathers to fit. The rider should not be sliding off the back of the saddle nor should there be excessive space in the seat behind the rider's back. Irons should be placed under ball of foot (not toe nor "home") with even pressure on entire

width of sole and center of iron. Foot position should be natural (neither extremely in nor out) with heels down.

4. POSITION IN MOTION.

- a. Walk: slight motion in saddle.
- b. Trot: slight elevation in saddle when posting; hips under body not mechanical up-and-down nor swinging forward and backward.
- c. Canter: close seat, going with horse, not rocking.
- d. Slow Gait: steady in saddle, no slap nor twist; legs straight down, intermittent calf pressure permissible; hands slightly raised, flexible contact, no sawing.
- e. Rack: seat smooth in saddle; legs down and slightly back, not thrust forward; hands low in motion with gait, not sawing but placement optional to individual rider and horse.

EQ116 Appointments.

1. PERSONAL. Exhibitors and judges should bear in mind that at all times entries are being judged on ability. However, neatness is the first requisite regarding a rider's attire and the following requirements are based on tradition and general present-day customs. Judges must penalize and may eliminate those competitors who do not conform. Adjustments to tack and attire for valid medical reasons is permitted provided a dispensation certificate has been granted per GR1311.

a. INFORMAL: Riding habit will consist of jacket with collars and lapels of the same conservative color with matching jodhpurs, a collared shirt, tie, vest, and complimentary gloves, jodhpur boots, and derby or soft hat (protective headgear may be worn without penalty per GR801.4). Conservative colors for informal riding habits include black, blue, grey, burgundy, green, beige, or brown and may contain herringbone, pin stripes, and other combinations of colors that appear solid. Colors not included in this list are not acceptable and shall be cause for elimination. Only informal dress is permitted in Saddlebred Pleasure Equitation classes, day or night.

b. FORMAL: Even more conservative attire is required for evening classes. Riding habit will consist of tuxedo-type jacket with collars and lapels of the same color with matching jodhpurs, formal shirt, bow tie, vest or cummerbund, and matching top hat (women), homburg or other soft hat (men). Solid colors for formal riding habits include dark grey, dark brown, dark blue, or black. Formal shirt must be white or off-white with the bow tie and vest or cummerbund to match shirt or riding habit in color. Colors not included in this list are not acceptable and shall be cause for elimination. Formal riding habits are not to be worn before 6:00 p.m. and are not mandatory after 6:00 p.m.; exhibitors competing on Pleasure horses have the option to wear formal attire in Open equitation classes as specified by the rule.

c. OPTIONAL: Blunt end (unrowelled only) spurs and/or riding crops.

2. TACK.

a. Bridle: Entries shall be shown in full bridles (curb and snaffle). Pelham bits are permitted in Pleasure Equitation Classes. Martingales or similar tie-downs are prohibited.

b. Saddle: Flat English-type. Forward seat, Western and side saddles are prohibited.

EC 4/20/09 Effective immediately

EQ117 Class Routine.

Riders enter the ring turning to the right and proceed counterclockwise. All riders shall be worked both ways of the ring at all required gaits as directed by the judge. Incorrect diagonals and leads shall be penalized. The order to reverse can be executed by turning either towards or away from the rail. Entries will line up on command and any or all riders may be required to execute any appropriate tests included in class requirements. (See EQ118 and EQ119). Judges are encouraged to call for at least two tests of the top competitors. When individual tests are called for, the judge's opinion rests on a 50-50 analysis of the railwork and the individual tests. The fall of horse or rider does not necessarily cause elimination, but is penalized at the judge's discretion. All entries chosen for a collective workout must be worked both ways of the ring in front of each judge at any gait requested.

EQ118 Requirements for Specific Classes.

The following four age restricted classes are suggested but may vary according to local conditions: a) juniors riders who have not reached their 11th birthday; b) junior riders who have reached their 11th but not their 14th birthday; c) junior riders who have reached their 14th but not their 18th birthday; d) adult amateurs who have reached their 18th birthday. The final phase will be conducted in the same manner as the preliminary, except a different individual workout must be used. Each rider in the final phase must execute an individual workout. b. SADDLE & BRIDLE'S AMERICAN SADDLEBRED PLEASURE EQUITATION MEDALLION CHAMPIONSHIPS (13 & Under and 14-17 age groups).

(1) PHASE I: All entries must be worked on the rail in groups of 20 or less and all contestants are to perform an individual workout. A minimum of 12 (if available) and no more than 14 riders shall be chosen for Phase II of the Championship Class. In all Championships, no predetermined number of riders need be selected from each group. Each judge will assign a numerical score for each rider on the rail and hand in numbers after each section. The railwork score and the workout score will be added together for all three judges. The top 12 to 14 riders to come back for Phase II will be determined by the highest combined scores. The judges will decide on the number to come back within the 12 to 14 limit.

(2) PHASE II: Phase II will be judged in the same manner. SCORING: Preliminary railwork 25%, Preliminary workout 25%, Final Phase railwork 25%, Final Phase workout 25%. All four scores for each rider will be added together for the placing of the class. The top ten will be called back into the ring. Awards to be given in reverse order. Winners of Saddle & Bridle's American Saddlebred Pleasure Equitation Medallion Championship will be eliminated from further competition in that class. Winners of the 13 & Under Medallion Championship are not excluded from competing in the 14-17 Medallion in the future.

17. UPHA CHALLENGE CUP QUALIFYING CLASSES.

a. ELIGIBILITY. Open to all saddle seat equitation riders, 17 years of age and under, riding a mare or gelding of any breed. Two UPHA Challenge Cup classes may be offered at the same competition, one for riders 14-17 years of age and one for riders 13 years of age and under, with separate awards. No minimum number of entries is required to fill a class. One UPHA Challenge Cup win eliminates that rider from further competition in qualifying classes that season.

b. CHAMPIONSHIP ELIGIBILITY. Residency requirements pertain only to UPHA Challenge Cup Chapter Championships. Rider must compete within the Chapter in which they reside (residence to be determined by the legal voting residence of the rider's parent or guardian). The first four places in qualifying classes are eligible to compete in the Chapter Championships. Chapter Championships are optional. All UPHA Challenge Cup winners, and the first and second place winners in the Chapter Championships, are eligible for the UPHA National or Junior Challenge Cup Championships (specific qualifying procedures for the Walk/Trot, Adult, Morgan, National Show Horse and Pleasure Challenge Cup Championships are contained under their respective headings). The qualifying season for all National and Junior Championships closes two (2) weeks prior to the beginning of the competition at which the Championship will be held. At that time, the qualifying season for the following year will begin. All UPHA National Challenge Cup Championship winners are ineligible for further competition in UPHA Challenge Cup classes. The Junior Challenge Cup Championship winner may compete for the National Championship in a succeeding year, but is ineligible for further competition in Junior Challenge Cup classes. When entering Chapter, National or Junior Challenge Cup Championships, riders must indicate on the entry form the competition and location at which they qualified. With the inception of the 13 & Under Junior Challenge Cup Championships, the National, Morgan, Arabian Breeds, and Pleasure Challenge Cup Championships will remain 17 & under classes (as opposed to Senior, or 14-17 championships) in order to accommodate under age winners of the Junior Challenge Cup Championship in a succeeding year. Any rider regardless of age, who is qualified has the option of showing in the National Championship but a 13 & under rider may not show in both the Junior and National.

c. JUDGING SPECIFICATIONS. Showmanship is paramount throughout the class. Judging in all UPHA Challenge Cup qualifying classes is based 60% on rail work and 40% on the individual workout. In qualifying classes and Chapter Championships (except Walk/Trot classes), the top four (4) riders must be worked individually; more may be worked at the judge's discretion. Showmanship is a primary factor throughout

the class, therefore, "Show Your Horse" is no longer a necessary or acceptable test. The mandatory workout in all qualifying competitions (except Walk/Trot classes) is: "Trot a serpentine to the opposite end of the ring. Return down either rail at a show trot." Judges are not permitted to alter the mandatory workout in any manner.

d. JUDGING SPECIFICATIONS FOR THE CHAMPIONSHIPS - In all Chapter, National and Junior Championships, the judge(s) must be Registered or Recorded with USEF Judges for the Championships are selected from nominees from each UPHA Active member and a list will be furnished to respective competition managements annually. In the National and Junior Championships, the preliminary work is called Phase I, in which all contestants must work in a group (or in groups) of 20 or less on the rail and complete an individual workout. Twelve (12) riders will be chosen for Phase II which is the Championship Class. No predetermined number need be selected from each group. Exceptions: A) In the UPHA 10 & Under Walk/Trot Championship, riders will work in groups of twelve (12) or less and will not be asked to perform an individual workout. Ten (10) riders shall be chosen to return for Phase II. B) In the UPHA 11 & Under Championship, riders will work in groups of twelve (12) or less and complete a mandatory work out. The mandatory Championship workout is: A serpentine consisting of four (4) half-circles: trot the first half-circle, canter the second and third half-circles, trot the fourth half-circle. Return down either rail at a show trot. Ten (10) riders shall be chosen for Phase II. If the class is divided because of its size, it is to be split by every other number. All riders must compete at the walk, show trot and canter both ways of the ring and line up. The divisions are to be dismissed on standby, with the individual workouts executed immediately following completion of the rail work. Individual copies of the Judge's Phase I workout must be available to each rider from the competition office no less than one (1) hour prior to the performance. The 10 & Under Walk/Trot Championship shall be judged 50% on Phase I-Preliminary and 50% on Phase II-The Championship. In all Junior Championships (Riders 13 & Under), judges are cautioned not to ask for an inappropriate, or illegal, workout. Thirteen and under riders may be asked to perform USEF tests #1 through #12. They are not permitted to change leads on or off the rail. Simple serpentines and figure eights are acceptable, however, diagonal line changes (which include a canter or any line cantering off the rail) are not permitted in any manner. The basic figures, or combination of the basic figures, are the intent in all Junior Championships. In all National and Junior Championships (except the Walk/Trot Championship), Phase I and Phase II must be judged as a continuous class and must be evaluated using a 1/3-1/3- 1/3 analysis. In Phase I, the rail work portion and the individual workout shall constitute 1/3 of the overall judging, or 2/3 of the total class. Phase II (the Championship), in which only rail work is performed, shall constitute the remaining 1/3 of the total class. There will be no less than six (6) hours between the end of Phase I and the beginning of Phase II, and no more than two (2) consecutive days between the two Phases. When the riders return to the ring for Phase II, the announcer is to state that they have been previously judged on rail and figure work. No individual workouts will be requested in Phase II, however, at the judges' discretion, selected riders may be requested to do additional rail work as a group for the purpose of breaking a tie. They may not be asked to exchange horses or to ride without irons. A Champion and Reserve Champion will be chosen in all National and Junior Championships, with the next eight (8) riders placed in numerical order. (Two unannounced reserves should be tied) The "Top Ten" will be announced first, followed by the Reserve Champion and the Champion. It is recommended that all riders be retired to a holding area outside of the ring and then brought back in individually and numerically for the "Top Ten" awards and the presentation of the Reserve Champion and Champion. The same horse must be used in both Phases of the Championships, unless the animal is sick or lame, in which case a veterinarian's certificate is required.

e. SPECIFICATIONS AND QUALIFYING PROCEDURES FOR OTHER CHALLENGE CUP PROGRAMS.

(1) UPHA 10 & UNDER WALK/TROT CHALLENGE CUP. Open to riders 10 years of age and under. Walk/trot riders must canter after the beginning of his/her nine year old competition year if they have shown in as many as three competition years in that division. The recording of a rider's participation in this division will begin in 2001. Competition year is defined by the Federation as December 1 through

November 30. To be judged on the rail at a walk and trot only. Rider may not have ever been judged in a class at a recognized or non-recognized competition that required a canter. This also includes Tournament and academy classes. It is recommended that a class having more than twelve (12) entries be divided. If a division is necessary, the recommended split is to divide the entries into a class for riders 8 years of age and under and one for riders 9 to 10 years of age. Headers will be permitted in the lineup and will be called in by the announcer after the class has lined-up and before they are judged. One attendant without whip is permitted to head each horse during the line-up. The header may stand the entry on its feet and then must stand three paces back from the horse and is only allowed to touch the horse for safety purposes. It is imperative that the horse stand quietly. A judge must order from the ring any unruly horse or one whose actions threaten to endanger the rider, other exhibitors, or their entries. All ribbon winners will be eligible for the Championship class. A win of a qualifying class does not eliminate that rider from further competition in qualifying classes that season. The winner of the UPHA 10 & Under Walk/Trot Championship will be ineligible for further competition in the UPHA Ten & Under Walk/Trot classes. They will be eligible to compete in the UPHA Challenge Cup classes at that time.

(2) UPHA 11 & UNDER CHALLENGE CUP. Open to all riders 11 years of age and under. In qualifying UPHA 11 & Under classes, class procedure will be the same as in all UPHA Challenge Cup qualifying classes. Riders compete at the walk, trot and canter both directions of the ring, line up, and a minimum of the top (4) are required to perform the mandatory workout (serpentine at the trot), more may be worked at the judge(s) discretion. To qualify for the UPHA 11 & Under Championship, a rider must compete and place (first through eighth) in a 17 & Under, 13 & Under, or an 11 & Under UPHA Challenge Cup class. A win of the UPHA 11 & Under Challenge Cup class does not eliminate the rider from competition in the 11 & Under classes for the remainder of the season. However, a win of either a 17 & Under or a 13 & Under UPHA Challenge Cup class eliminates a rider from further competition in both age groups, but not in the 11 & Under age group, for the remainder of the qualifying season. In the UPHA 11 & Under Championship, Phase I will consist of rail work in groups of twelve (12) or less and the completion of an individual workout. The mandatory workout is: "Trot a serpentine to the opposite end of the ring. Return down either rail at a show trot." In the preliminary Phase I, ten (10) riders shall be chosen to come back for Phase II, the Championship class. All other specifications for the 11 & Under Championship are the same as in the National and Junior Championships.

(3) UPHA ADULT CHALLENGE CUP. Open to all amateur riders 18 years of age and over. All ribbon winners will be eligible for the Championship class. In the Championship class, a minimum of four (4) riders must perform an individual workout. The judge(s) may use any of the recognized tests 1-16 (refer to EQ119). Since there is not a Phase I preliminary in the UPHA Adult Challenge Cup Championship, judging specifications shall be 60% on rail work and 40% on the individual workout. A win of a qualifying class does not eliminate that rider from further competition in qualifying classes that season. In order to compete in the Championship a rider must qualify in a UPHA Adult Challenge Cup class. Winners of the UPHA Adult Challenge Cup Championship will be eliminated from further competition in UPHA Adult Challenge Cup classes after two (2) consecutive or non-consecutive wins of the Championship.

(4) UPHA MORGAN, ARABIAN BREEDS, AND NATIONAL SHOW HORSE CHALLENGE CUPS. Open to riders 17 years of age and under, riding a Morgan, Arabian Breeds, or National Show Horse mare or gelding. Both Morgan, Arabian Breeds, and National Show Horse riders have the option of competing in the UPHA Challenge Cup National or Junior Championship and in their respective breed Championships, however, one win of a UPHA Challenge Cup will not qualify a rider for both Championships. Separate qualifications are required. Morgan, Arabian Breeds, and National Show Horse riders can qualify for their respective breed Championships by placing first or second in a UPHA Morgan Challenge Cup (for Morgan riders) or a UPHA Arabian Breeds Challenge Cup (for Arabian Breeds rid-

ers) or a UPHA National Show Horse Challenge Cup (for National Show Horse Riders), or first through fourth in an open UPHA Challenge Cup. A win of an open, Morgan, Arabian Breeds, or National Show Horse Challenge Cup eliminates the rider from further competition in that class for the remainder of the qualifying season. The rider may then elect to compete in any Challenge Cup class for which he/she is eligible in order to comply with the "separate qualification" rule if the rider intends to compete in more than one Challenge Cup Championship.

(5) UPHA PLEASURE CHALLENGE CUP. Open to all saddle seat equitation riders 17 years of age and under riding a mare or gelding of any pleasure type. Eligibility to compete in UPHA Pleasure Challenge Cup classes is limited to those riders who show ONLY pleasure equitation horses of the Saddle Seat breeds during a given competition year. Pleasure equitation riders will qualify for the UPHA Pleasure Challenge Cup Championship by placing first or second in a UPHA Pleasure Challenge Cup or first through sixth in an open UPHA Challenge Cup. Pleasure equitation riders have the option of showing in the UPHA National or Junior Challenge Cup Championships as well as the UPHA Pleasure Challenge Cup Championship, however, they must have separate qualifications for both championships. Only a win of an open UPHA Challenge Cup qualifies a rider for the UPHA National or Junior Challenge Cup Championship. A win of either an open UPHA Challenge Cup or a UPHA Pleasure Challenge Cup eliminates a rider from further competition in that class for the remainder of the qualifying season. The rider may then elect to show in the Challenge Cup division they have not yet won if they need a second qualification for either championship. The UPHA Pleasure Challenge Cup and Championship will be governed by the same rules, judging specifications and procedures as the open UPHA Challenge Cup.

18. UPHA FIVE GAITED HORSEMANSHIP. Open to amateur riders of any age showing a five-gaited American Saddlebred. Stallions are prohibited. The spirit of this class is to reward riders with exceptional horsemanship skills. Emphasis should be on a rider's awareness of the horse's performance. Breaking of gait, extreme speed, pacing and excessive bridle movement is to be penalized. Smooth transitions, a square trot, true slow gait and rack and a controlled canter are to be emphasized. Form should be appropriate for the enhancement of a five gaited horse, although equitation rules will be followed. To be judged at the five gaits both ways of the ring and on an individual workout. Canter lead changes or canter departures off the rail cannot be requested as testing in qualifying classes or the Finals. To be judged 60% rail work, 40% workout. One of the two designated workouts may be used.

a. Execute a serpentine as follows: slow gait the first loop, trot the second and third loops, slow gait the fourth loop and return down the rail at a rack.

b. On the rail, to the right, trot first third, continue trot a circle, stop, slow gait the second third and continue to slow gait a circle, continue at a slow gait around the turn and rack down the opposite rail.

19. UPHA FIVE GAITED HORSEMANSHIP FINALS. To qualify, riders must compete and be judged in a minimum of one UPHA Five Gaited Horsemanship qualifying class or any one class within the 5-Gaited sections (open or pleasure) during the qualifying season. A win in a qualifying class does not eliminate the rider from further competition in that qualifying season. For permission to offer this class and complete details, contact the United Professional Horsemen's Association, 4059 Iron Works Parkway, Suite #2, Lexington, KY 40511, (859) 231-5070.

EQ119 Tests.

Tests from which judges must choose. Tests may be performed either individually or collectively but no other tests may be used. Instructions must be publicly announced. All circles and turns must be performed on correct diagonals and leads. On left diagonal, rider should be out of saddle when horse's left front leg is in the air; on right diagonal, rider should be out of saddle when horse's right front leg is in the air. On left lead, horse's left leg reaches further than the right; on the right lead, horse's right leg reaches further than the left. All changes of lead must be a simple change whereby the horse is brought back into a halt or walk and restarted into the canter on the opposite lead. In Medal and Championship classes individual workout instructions must be written down by the judge and delivered to the announcer at the beginning of the class. Instructions can be posted at the judge's discretion

provided it is announced and posted at least one hour prior to the session in which the class is held. Competition management is encouraged to post the workout more than one hour prior to the session if possible. *At all World and National Championships and Finals, competitors must be allowed ample access to the competition arena in order to walk on foot the posted workout. A minimum of ½ hour is recommended. EC 4/20/09 Effective immediately*

1. Address reins—the process of laying down reins and picking up reins (only in line up).
2. Circle at a trot. When circling clockwise, rider should be on left diagonal; when circling counterclockwise rider should be on right diagonal.
3. Performance on the rail at a walk, trot, or canter using the correct leads and diagonals only.
4. Performance around the ring at a walk, trot, or canter using the correct leads and diagonals only.
5. Feet disengaged from stirrups. Feet engaged. In the line-up only.
6. Change of diagonals on or off the rail. The judge must specify diagonal changes to be executed and the beginning diagonal.
7. Execute serpentine at a trot. A series of left and right half circles off imaginary line where correct diagonals must be shown.
8. Back for not more than eight steps.
9. Figure eight at trot demonstrating change of diagonals. Unless specified, it may be started either facing the center or away from the center. If started facing the center, it must be commenced from a halt.
10. Circle at the canter. When circling clockwise, horse should be on right lead; when circling counterclockwise, horse should be on the left lead.
11. Execute serpentine at a canter.
12. Figure eight at canter. Unless specified, it can be started either facing the center or away from the center. If started facing the center it must be commenced from a halt. Figures are commenced in center of two circles so that one lead change is shown.
13. Canter a straight line, on or off the rail, with or without demonstrating simple change of lead. The judge must specify lead changes to be executed and the beginning lead.
14. Ride without stirrups for a brief period of time, at any gait requested (for not more than one minute at the trotting phase). Riders may be asked to disengage or engage stirrups at a halt or walk or any gait requested by the judge.
15. Demonstration ride of approximately one minute on own mount. Movements must be selected from Tests 1-14 above. Rider must advise judge beforehand what ride he plans to demonstrate. To be used only in Championship and/or Medal Classes. Riders must have with them two copies (one for judge and one for announcer) of a written one minute workout in case the judge asks for this test. The test must be stopped at the end of one minute but the rider will not be penalized for not completing it.
16. Exchange horses. This test is to be used only after four or more of the top riders have been tested. Only one pair of riders to exchange. Saddles can be exchanged. The attendant for each horse being exchanged must be allowed in the ring only to facilitate the change. The purpose of this test is to break a tie.

EQ120 U.S. Saddle Seat World Cup Selection Trials.

1. APPOINTMENTS.
 - a. Personal: Riders are to wear Kentucky Jodhpurs in conservative colors with a closely fitted shirt or sweater tucked into the waist of their pants. The shirt/sweater should also be of conservative nature in design and color. Jodhpur boots and riding gloves are mandatory. Optional items include a conservative belt, non-roweled spurs, and protective headgear. Ties, vests or hats of any kind (exception: protective headgear) are not allowed. Hair shall be neatly groomed so as not to detract from the riders' general appearance.
 - b. Tack: Bridle shall be light, show type; either single snaffle, curb and snaffle or Pelham bit. Martingales are allowed. Riders are to provide their own saddles, stirrups/leathers and whips.
2. CLASS CONDUCT.
 - a. Riders will compete on not less than two horses during the duration of the riding portion of the competition. During the rail work phase riders will work at the walk, trot, and canter (Five-Gaited may include slow gait and rack depending on horse availability)

both directions of the ring. The hosting director will divide riders into groups of sizes deemed manageable with regard to the horses being used for the competition.

b. Patterns will be executed individually by each rider on a minimum of two different horses. The patterns to be performed will be divided into segments, each of which will have an assigned score. Copies of the patterns will be distributed to the riders at the drawing of the horses. The order of go for the patterns shall be determined by a draw, to be conducted in conjunction with the riders' draw of horses.

c. There will be absolutely NO coaching while riders are being evaluated by the judging panel. This rule includes both instructors and members of the audience. This rule will be STRICTLY ENFORCED. Violations of this rule could result in the elimination of a rider and/or the expulsion of the person doing the coaching from the arena area. The decision of the USEF Steward, in consult with attending members of the Executive and Selection Trials Committee or the designees shall be final.

d. The hosting director shall determine the number of rail and pattern rides based on horse availability. This will be announced no later than the riders' draw of horse/order of go assignments, which is typically conducted the day before the trials.

e. Rides and interviews will be scheduled by the hosting director as deemed appropriate. The contestants' ride/interview schedules will be given to them at the same time that the draw is conducted. Breaks will be scheduled during each day's events. Should time restraints require any adjustments to the set schedule, such changes will be announced by the official Event Announcer as far in advance as possible.

f. Competitors will be allowed two five minute time outs for breakage of equipment or a cast shoe during the competition. If in the second time out a successful repair/replacement cannot be satisfactorily achieved an emergency alternate horse may be substituted by the host. If the five-minute time allotment for the second time out for the same horse is insufficient to make the repair or replacement, an additional five minutes will be awarded. At the conclusion of the allotted time, the rider must proceed on either the same horse or on the emergency alternate or withdraw from that phase of the competition. A rider who withdraws will not receive a score for that phase of the competition but may continue in the next phase in which they are entered either with repaired equipment, replaced shoe or on an alternate horse.

3. INTERVIEW.

The inclusion of an interview as a scored portion of the competition is at the discretion of the Council. The council and Selection Committee will determine if the interview portion will be included in the selection process for a given team selection competition. When the Council elects to include the interview, the percentage assigned to that portion of the competition shall be declared prior to the opening of the application process and publicized to all finalists prior to their acceptance of the finalist bids. When included, interviews shall be conducted by a panel of three interviewers, generally to be provided by the hosting institution. The duration of each interview will be ten minutes. The interview will consist of five questions, to be selected from a list of ten questions that will be provided to the riders in advance of the interview. Questions will be likely to include such topics as current world and national events, history, geography, etc. Riders will be evaluated primarily for their ability to conduct themselves in a positive, articulate and professional manner, as befitting a representative of both the United States and the Saddle Seat Equitation community. The Council and the hosting director reserve the right to change the number of interviewers based on availability, but will make every effort to secure a minimum of three panelists.

4. SCORING

a. RAIL: Rail work will be evaluated using a numerical system based on a perfect score total of 100 from each judge.

b. PATTERN: Each pattern will be divided into segments, which will carry possible score values as determined by the panel of judges and/or organizers prior to the competition. Each pattern will have a total possible score of 100 points from each judge, resulting from the combined total of the segment scores.

c. INTERVIEW: Each rider will earn a score of up to 100 possible points from each member of the interview panel.

d. ORDINAL CONVERSION: The numerical score given by an evaluating official (either judge or interviewer) for each rider at the conclusion of each phase (with phase defined as a railwork, pattern or interview segment completed by all finalists for that

particular team trials) will be converted to an ordinal, with each judge's highest numerical score converting to a '1', the next highest a '2', etc.

e. Numerical scores for each ride of every contestant will be announced at the conclusion of the ride with the exception of the final rail ride scores. These scores will only be made public following the announcement of the team at the Awards Ceremony.

f. The grand total score for each rider shall be a combination of the ordinals awarded by all judges/interviewers from all railwork, patterns and interview phases. Those riders who hold the five lowest cumulative ordinal scores will be named as members of Team USA, and will represent the United States at the International Saddle Seat Equitation World Cup for the designated competition year.

g. In the event of a tie, preference will be given to the rider with the lower combined rail ordinal scores from all judges. If a tie still exists, preference will be given to the rider with the lower combined pattern ordinal scores from all judges. If the above methods are insufficient to break the tie, preference will be given to the rider with the lower combined interview ordinal scores from all interviewers. If none of the above methods are sufficient to break the tie, preference will be given to the rider with the total ordinal scores from all interviewers. If none of the above methods are sufficient to break the tie, the lower combined total ordinal scores for the railwork and pattern segments of the competition as issued by ONE judge determined by the Council to serve as the Referee shall have precedence. The referee shall be announced prior to the start of the competition, generally at the event where riders draw for horses, order of go, etc.

5. ALTERNATE RIDER STATUS.

The 6th place rider will be named the alternate and is considered "on call" to replace any member of the top five who must step down for health or emergency personal matters prior to the official start of the International World Cup event. In the case of an away competition, the 'official start' has generally been defined as the time at which the team members depart for the host country. Any exception to this rule shall be strictly the jurisdiction of ISSEA (International Saddle Seat Equitation Association), and their judgment on such matters is final. The US Council MAY, at their discretion, elect to provide apparel or other official team items to the alternate. Participation by the alternate in promotional and fundraising events within the US is strongly encouraged. The alternate will not be sponsored as a team member for travel to the International competition, but is encouraged to attend and support the US team. It is left to the discretion of the host country for each International Saddle Seat World Cup event to set policy regarding the level of participation that alternates may have in the various ceremonies or functions associated with the event. It is the current policy of the US Council to be as inclusive as possible to alternates and auxiliary officials of visiting teams who attend competition here in the US, and we have encouraged other hosting nations of ISSEA to make every effort to extend the same courtesy.

6. JUDGING.

a. The riders are to be judged 45% on rail work (22.5% each on two rides), 45% on patterns (22.5% each on two patterns), and 10% on personal interview. The percentages allocated to each phase may be changed by vote of the Council for a given competition year; however, the percentages allocated to each portion must be publicized prior to the start of the application process and must be disclosed to finalists prior to their acceptance of the finalist bids.

b. Riders will be scored by a panel of six judges. Judges shall be selected from the current United States Equestrian Federation, Inc. Licensed Officials list. It is preferable that all judges hold a Registered (R) designation in Saddle Seat Equitation, although judges holding Recorded (r) designations in Saddle Seat Equitation may also officiate. In rare circumstances, a judge who does not hold current designation from USEF may be utilized provided that the proper Guest Card procurement procedures are followed. In the event that a judge is unable to begin or complete the scoring of the entire event, it shall be the right of those members of the US Council Executive Committee, Selection Trials Committee and their designees in attendance to vote to amend the number of judges or utilize substitutes. Every effort to maintain the integrity of the scoring and the fairness of the competition will be made in such case.

c. Judges will use the standards from Subchapter EQ-3, Saddle Seat Equitation, in the Federation Rule Book as their guideline for evaluating each rider. The scoring used will be a numerical system for all phases and the scores will be announced and posted with

the exception as noted above in "Scoring". The scoring system to be used will be explained in depth to each judge before the start of the competition. Judges may only call for tests 1-13 (see EQ119.1-13).

d. It is the Council's wish that the judges make a special effort to analyze each rider's form as well as his/her horsemanship abilities while keeping foremost in mind the unusual demands of the World Cup competition itself. A rider's resiliency after a "rough" class should also be given due consideration in the scoring. The format for the trials event competition, which requires competitors to ride horses with which they have little or no familiarity*, was specifically designed to parallel the premise of the International event conditions. Further, the format is designed give judges the opportunity to evaluate each rider's ability to respond to these unusual demands. [*Due to the nature of the horses often being donated for the competition, it is possible that riders may have ridden some of the horses used in the trials. Thus the Council will observe the ISSEA rules that a rider may not compete on a horse that he/she has previously owned or exhibited. In cases involving other types of familiarity, the hosting director will make every effort to ensure that there are no significant advantages given to riders who may have had experience with horses used in the trials competition. Such measures may include, but are not limited to the following: procurement of additional donated horses for the duration of the competition; availability of videotape for review by other finalists for the team in question prior to the competition which shows the hosting director giving instruction on the horse(s) in question in a non-competitive setting, etc.]

7. AWARDS.

No ribbons will be awarded to competitors in the trials. The event will conclude with the announcement of the teams at an Award Ceremony, generally held at the conclusion of the competition. Certificates of Participation will be presented to each trials finalist. Each of the top five riders will also receive a commemorative certificate identifying them as a member of Team USA. The sixth-place rider shall be declared the alternate and will also receive a commemorative certificate identifying them as the alternate member of Team USA. Additional awards may be offered at the discretion of the Council.

8. ENTRIES.

a. All competitors who are 18 years of age or older on December 1 of the current competition year must possess current Amateur certification issued by the Federation (see Subchapter EQ-3. Amateurs and Professionals).

b. The Federation Fee of \$15 will be waived for the World Cup Selection Trials. Chapter GR4, Drugs and Medications, will remain in effect.

9. RESOLUTION OF ISSUES.

All matters arising in connection with the execution of the trials competition that are not specifically addressed under USEF rules shall be subject to the jurisdiction of the US Saddle Seat World Cup Council Executive Committee and Selection Trials Committee or their proxied designees who are in attendance. Decisions of those Committee members in such matters shall be final.

EQ121 Saddle Seat World Cup Competition.

When the United States hosts the Saddle Seat World Cup in conjunction with a Federation licensed competition or as a stand alone Federation licensed competition, USEF Membership and Non-Member fees will not apply to owners of donated horses and to international competitors.

SUBCHAPTER EQ-4 WESTERN SEAT/REINING SEAT EQUITATION SECTION.

(See Western Rules, Chapter WS)

EQ122 General.

1. Riders will be judged on seat, hands, performance of horse, appointments of horse and rider and suitability of horse to rider. Results as shown by the performance of the horse are NOT to be considered more important than the method used in obtaining them.

2. Exhibitors can ride sidesaddle in adult equitation classes but not in classes restricted to juniors.

EQ123 Position.

1. Basic Position. The stirrup should be just short enough to allow heels to be lower than toes. Body always should appear comfortable, relaxed and flexible. Feet should be placed in the stirrups with weight on ball of the foot. Consideration, however, should be given to the width of the stirrups, which vary on Western saddles. If stirrups are wide, the foot may have the appearance of being “home” when, in reality, the weight is being properly carried on the ball of the foot.

Arms are in a straight line with body, the one holding reins bent at elbow. Only one hand is to be used for reining regardless of type of bit used and hands shall not be changed. Hand to be around reins. When split reins are used and ends of split reins fall on the same side as reining hand, one finger between reins is permitted. When using romal or when ends of split reins are held in hand not used for reining, no finger between reins is allowed. The position of the hand not being used for reining is optional but it should be kept free of the horse and equipment and held in a relaxed manner with the rider’s body straight at all times. Rider can hold romal or end of split reins to keep from swinging and to adjust the position of the reins, provided it is held with at least 16 inches of rein between the hands. Hand to be above horn and as near to it as possible. When riding in a snaffle bit or hackamore two hands may be used with arms in a straight line with the body, bent at the elbow at approximately 90 degree angle with hands 6-16 inches apart. (*Exception: Arabian division.*) Bracing against horn or coiled riata is penalized. *EC 9/21/09 Effective immediately*

2. Position in Motion. Rider should sit to jog and not post. At the lope, rider should be close to saddle. All movements of horse should be governed by the use of imperceptible aids and the shifting of rider’s weight is not desirable.

3. Side Saddle. Side saddle riders should sit square in the saddle, spine to be perpendicular to a horse’s backbone. Shoulders to be square and back. Head straight and level. The left leg should hang straight down naturally and close to the horse’s side. The heel should be down and the stirrup resting on the ball of the foot, exactly as an astride rider. The left knee rests against the saddle. The lower portion of the rein arm should be parallel with the ground and the reining hand over the right knee. The upper rein arm will take about a 30 degree angle. The knuckles of the reining hand should be vertical with the ground and the reining hand should always be held directly over the right knee and in no way forward of this knee. The upper portion of the inactive arm should be vertical with the body and the elbow of this arm should not protrude to the rear of the upper body. When using closed reins, the inactive hand should be closed around the free ends of the reins and the lower portion of this arm held at about a 45 degree angle in a natural position.

EQ124 Appointments.

Competitors must be penalized for incomplete appointments but not necessarily disqualified.

1. Personal. Riders must wear Western hat; long-sleeved shirt with any type of collar; a necktie, kerchief or bolo tie or brooch; trousers or pants; (a one-piece long-sleeved equitation suit is acceptable provided it includes any type of collar). Chaps and boots are required. A vest, jacket, coat, and/or sweater may also be worn. Protective headgear with harness is optional in all classes; not required to be of Western style. Refer to GR801. Spurs are optional. Side saddle riders must wear an apron of either the closed or buttoned type, or with waist band cut the same as a pair of chaps and double thickness. Hair must be neat and securely fastened if long so as not to cover rider’s number.

2. Tack.

a. The saddle must fit the rider. It may be slick or swelled fork, have a high or low cantle but must definitely be sized to the rider. Nothing that would prevent the stirrups from hanging freely shall be added to or deleted from a standard western saddle. Exhibitors can ride side saddle in adult equitation classes but not in classes restricted to juniors.

b. There shall be no discrimination against any standard western bit. Curb chains and leather chin straps may be used but must be flat and at least 1/2” in width, and lie flat against the jaws of the horse. No wire, rawhide, metal or other substance can be used in conjunction with or as part of the leather chin strap or curb chains. A light lip strap is permissible.

c. Hackamores as defined in WS105.4, all snaffle bits as defined in WS105.3 may be used on junior horses; tie-downs, running martingales, draw reins, and cavesson-type nosebands are prohibited. Silver equipment may be used but shall not be given prefer-

ence over good working equipment. A hackamore or snaffle bit rider may ride with two hands. Horses shown in the Arabian, Half Arabian, Morgan, National Show Horse, Saddlebred Divisions may not use hackamores or snaffle bits in the Equitation division and must be shown with one hand.

3. Bandages and boots of any type are prohibited. In the event of injury, the judge may permit a protective bandage. In Western Seat Equitation classes where a pattern is required, the use of shin, bell boots and/or protective bandages on the front legs and standard sliding or rundown boots on the rear fetlocks are permitted.

EQ125 Class Routine.

Riders enter the ring at a walk or jog and are judged at a flat-footed four beat walk, two-beat jog and a three-beat lope both ways of the ring. The order to reverse may be executed by turning toward or away from the rail. All competitors are required to back in a straight line during the line up in all classes.

Judges are encouraged to call for at least two tests from EQ127 to be performed by competitors being considered for an award. Due to the difficulty of properly fitting tack, riders shall not be asked to change horses.

See Western Seat Equitation Chart for list of faults and causes for elimination.

EQ126 Requirements for Specific Classes.

The following three age limit classes are suggested, but may vary according to local conditions: a) juniors who have not reached their 11th birthday; b) juniors who have reached their 11th but not their 14th birthday; c) juniors who have reached their 14th but not their 18th birthday.

1. Maiden, Novice and Limit. For juniors who have not reached their 18th birthday. Tests 1-5.
2. Under 11. For juniors who have not reached their 11th birthday. Tests 1-3.

Judges may require additional tests. Tests 1-11.

EQ127 Tests from which judges must choose.

Tests can be performed either collectively or individually but no other tests may be used. Instructions must be publicly announced. If a pattern is used, it must be posted at least 1 hour before the class. A pattern is defined as two or more tests. Reining patterns may be used.

1. Back.
2. Individual performance on the rail.
3. Figure eight at the jog.
4. Lope and stop.
5. Figure eight at lope on correct lead, demonstrating simple change of lead (this is a change whereby the horse is brought back into walk or jog and restarted into a lope on the opposite lead). One figure eight demonstrates two changes of lead and is completed by closing up the last circle and stopping in the center of the eight.
6. Figure eight at lope on correct lead, demonstrating flying change of lead.
7. Change leads down center of ring, demonstrating simple change of lead.
8. Ride serpentine course, demonstrating flying change of lead at each change of direction.
9. Demonstrate sliding stop.

EQ128 Horsemanship.

1. Riders in classes for junior exhibitors cannot have reached their 18th birthday in accordance with GR126.

2. Emphasis shall be placed on horse and rider working together. Execution and correct form of both horse and rider, while maintaining a pleasurable ride are the main criteria for this class.
3. Rider must perform a pattern which will be posted by the judge at least one hour prior to the class. Tests 1-12 may be used.
4. Failure to complete the pattern will not result in disqualification but will be scored accordingly. Rail work is optional at the discretion of the judge. Backing must be included in either the pattern or the lineup.
